

Welder/Pipe Fitter

Welder/Pipe Fitter Responsibilities:

- Oversee operations on projects such as:
 - Welding
 - Pipe Fitting
 - Cutting & Threading
 - Remove/Replace building components
- Lifting: Exerting up to 50 pounds of force occasionally and/or up to 20 pounds of force frequently, and/or up to 10 pounds of force constantly to move objects.
- Walking: Moving about on foot to accomplish tasks, particularly for long distances or moving from one work site to another.
- Lifting: Raising objects from a lower to a higher position or moving objects horizontally from position-to-position.
- The worker is subject to both environmental conditions: work activities occur indoors and outdoors.

About 4CG Construction:

4CG is a diverse and multi-faceted company focused on serving clients within the Central Valley and Central Coast. We have been in business for over eleven years and we are continuing to grow and establish our presence in the Central Valley. We are looking for candidates that not only have a strong work ethic but will also be a cultural fit; enabling us to successfully operate at the highest standards as a team.
